OUR EASY PROCESS FOR RENTALS

REQUEST A QUOTE

The first step is to complete a request indicating what you need, the length of rental time, and destination shipping address.

REVIEW & CONFIRM

Upon understanding your needs, a member of our sales team will send you a formal quote for review. For any revisions, please contact the sales agent. Once you agree on the quote, simply sign and return it to us.

EQUIPMENT PREP & SHIPPING

Rental equipment is inspected, cleaned, and software is reset to factory defaults. If you requested an exact image or custom software, we will load and test. Upon final inspection, equipment is packed and shipped/delivered on time to your destination.

RETURN, EXTEND, OR BUY

When your rental is complete, you can return, extend, or purchase the equipment.

If interested in purchasing any equipment, inquire about our "Lease to Own" program allowing you to pay equal installments over a 12-month period. In addition, you receive software updates, security protection services, and helpdesk support.
