

Lead Capture Solution for Dallas Market Center Exhibitors

Unlock the Power of QR Code Scanning:

Turn-key Solution

Choose to use your phone's camera or rent a QR code scanner to pair with your device.

Instant Access

Once your account request is received, we create your account for immediate use, and will contact you with details and payment process.

Automatic Data Capture And Export

Scan QR codes and the contact information is saved automatically. Export the information as a comprehensive CSV file.

Streamlined Process:

- 1. Request Lead Capture Support:** Request service [HERE](#) to begin the process.
- 2. Payment and Account Creation:** Once you've completed the request form, we will create your account, send credentials, and request your payment within 7 days.
- 3. Device Coordination and Delivery (optional):** When opting for a wireless connected QR scanner, our team will coordinate with you to deliver and provide pairing instructions.
- 4. Effortless Scanning:** Scan QR codes effortlessly and watch as lead information is captured in real-time.
- 5. Easy Report Generation:** Once you've collected your leads, easily submit a report request.
- 6. Receive Your Data:** Once payment is received, you'll get a comprehensive CSV file of your leads delivered straight to your email.

Why Should You Choose Our Solution?

- Tailored for Dallas Market Center:** Specifically designed to meet the needs of temporary exhibitors.
